

General practice prices

The Ferguson Veterinary Clinic is committed to providing quality care whilst maintaining affordability. Transparency is a key priority, and the clinic ensures clarity on costs by providing detailed estimates or costs before performing any procedure or treatments. Please find below a list of our prices for January to December 2025. Prices shown are inclusive of VAT.

For great savings, and to spread the cost of your pet's care, why not consider joining our Pet Healthcare Plan. [Click here](#) to see the full list of benefits you'll receive as a member of the plan.
