

Ferguson

Veterinary Clinic

Referral prices

The Ferguson Veterinary Clinic is committed to providing quality care whilst maintaining affordability. Transparency is a key priority, and the clinic ensures clarity on costs by providing detailed estimates or costs before performing any procedure or treatments.

Please find below a list of our prices for January to December 2025. Where a single figure is listed, this indicates a fixed price. Where a range is listed this is an estimate. Unless indicated as bilateral i.e. both left and right legs, prices are for one limb only. Prices shown are inclusive of VAT.
